1. Production of H3A and H5A trucks continues. Those recently produced have four-wheel drive and are for the Volkspolizei. Only 14 could be delivered in September 1953 on account of a shortage of engines. Horch Zwickau is the only works making these engines, and Horch lately has been able to deliver only between 10 and 20 engines per month.
2. The Wismut AG has placed a new order for six tip-type trucks.
